

PLAY, FALL, REST, DANCE

Artist Residency with Valerie Salez
at grunt gallery | grunt.ca
June 2014

About the Project

Artist Valerie Salez invites children to art-making sessions where they re-imagine their environment.

Where And when

The project will take place at **grunt gallery**. We're located at 116-350 East 2nd avenue, Vancouver BC. Sessions will happen one to two times per week. The sessions will be 2-3 hours in length, the artist works around their schedule. Transportation support will be provided on request and there is **no cost** associated with this project.

Looking for youth

We're partnering with **KickStart Disability Arts and Culture** to find youth with disabilities to participate in this exciting incarnation of Play, Fall, Rest Dance. We are looking for four to six children between the ages 6-12 years old. The artist will work one on one with the child (with attendant or parent in attendance if needed).

Questions? Want to register your child for this project?
Email Meagan Kus (meagan@grunt.ca) at grunt gallery.
